

Planning a Maui vacation involves choices. Limited time, unlimited options. Kaanapali Ocean Adventures simplifies at least one category of that planning by offering a range of ocean activities that suit different interest levels, group compositions, and seasonal windows from a single convenient beach departure point. For families and mixed-experience groups, the Lanai Snorkeling Half Day is the strongest starting [guided Kaanapali snorkel](#) point. Four hours, the full experience of crossing to Lanai, reef snorkeling, Sea Scooter options, and a crew that handles first-timers and experienced snorkelers equally well. Suitable for ages five and up with appropriate supervision. For guests whose primary interest is marine wildlife observation, the winter whale watching options between December 15 and May 15 deliver the most concentrated humpback whale experience available in West Maui. The Humpback Whale Watch and the Whale Watching and Dolphin Search both capitalize on Captain Dan's four-decade knowledge of whale behavior in Maui Nui.

Kaanapali Snorkel Tours

For groups seeking an adrenaline experience, the X-Treme private charter delivers a jet boat ride that stands completely apart from anything else available in Kaanapali. This is the option for groups who want to talk about their Maui boat [Kaanapali Snorkel Tours](#) experience for years after returning home. For couples, small groups, or special occasions requiring exclusivity and flexibility, the private charter on the Sanity is the premium option. The combination of Lanai's spectacular dive sites, the intimacy of a private vessel, and Captain Dan's crew creates a custom experience that large-group tours cannot replicate. For guests who want snorkeling without the Lanai crossing, the West Maui Snorkeling Half Day offers a strong local reef experience with shorter travel time to the snorkel zone. Every tour departs from Kaanapali Beach near Whaler's Village. No harbor required. Call +1 808-633-3138 to plan your Kaanapali Ocean Adventures experience.
