WHAT IS GLYCO CARE?

Glyco Care provides a simple and convenient way to add **nutritional support** to your everyday wellness routine.

Designed to Support:

- **Healthy Blood Sugar:** Supports healthy blood sugar levels that are already within the normal range.
- **Metabolic Wellness:** Designed to complement everyday habits that contribute to metabolic health.
- **Daily Energy & Vitality:** Supports everyday energy and an active lifestyle.
- **Overall Wellness:** Fits naturally alongside balanced meals, regular movement, hydration, and healthy routines.

WHY GLYCO CARE?

- **SIMPLE DAILY ROUTINE**

Convenient capsule format with no mixing, measuring, or preparation.

- **WELLNESS-FOCUSED**

Designed as nutritional support for adults focused on everyday metabolic wellness.

- **EASY TO INCORPORATE**

A simple addition to a consistent daily wellness routine.

- **LIFESTYLE COMPANION**

Designed to work alongside healthy eating and regular physical activity—not instead of them.

SUPPORT YOUR DAILY WELLNESS

A [healthy lifestyle](#) is an important part of maintaining metabolic wellness.

Balanced Nutrition:

Choose nutritious foods, whole foods, fiber-rich options, and sensible portions.

Regular Activity:

Include regular walking and physical movement that you can maintain consistently.

Consistent Routines:

Maintain regular meal and sleep schedules whenever possible.

Stay Hydrated:

Drink adequate water throughout the day.

Glyco Care is intended to complement these habits rather than replace them.

SUGGESTED USE

Take two (2) capsules daily with an 8 oz. glass of water.

For best routine consistency, take as directed on the product label.

STORAGE

Keep away from heat, light, and humidity to preserve freshness.

Store in a cool, dry place.

IMPORTANT SAFETY INFORMATION

- Do not exceed the recommended dose.
- Pregnant or nursing women, children under 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement.
- Keep out of reach of children.
- Do not use if the safety seal is damaged or missing.
