Service hours for standard appointments are seven days a week, accommodating homeowners who cannot schedule weekday appointments during standard business hours. Weekend availability is a deliberate commitment to customer convenience that not all plumbing companies in the area offer. Emergency service is available 24 hours a day, 365 days a year. Plumbing emergencies do not follow business hours, and neither does Murrieta Valley Plumbing's emergency response. Free estimates are available for all services. Call to describe your project or problem and a technician will provide a written estimate before any work begins. There are no hidden fees on completed work, though a service charge [Murrieta leak detection](#) may apply if a technician travels to a location where no work is ultimately performed. Email contact is available through the company website at murrietavalleyplumbing.com for non-urgent inquiries. Senior and military discounts apply to all services. Wisetack financing is available for larger projects. The company is a member of the Murrieta/Wildomar Chamber of Commerce and holds California Contractor License #886431. Call +1 951-696-7100 to schedule service or request a free estimate.
