Samsung S21 FE Back Cover Materials & Features

Selecting the proper material is just as important as designing the product.

Cover Type	Key Feature	Best For
Glass Back Case	Glossy printed finish	Premium styling
Silicone Case	Soft, flexible material	Comfortable grip
Transparent Case	Clear appearance	Showing phone colour

Custom Name Case	Personalised artwork	Gifts and personal style
Printed Glass Case	Colourful designs	Everyday fashion

For a Samsung S21 FE back cover made of silicone material, the following features should be considered: flexibility and access to the buttons. The best Samsung S21 FE back cover to see the original colour of the phone is the transparent one.
