

## Free Fusion

62a High Street, Corby, NN17 1UU

**01536 260558**

[iphonespecialist.co.uk](http://iphonespecialist.co.uk)

Beyond its core Apple specialty, Free Fusion also repairs Samsung and other Android phones for Corby customers, offering a broader device repair capability under one shop. This includes common repairs like screen replacement, battery service, and charging port repair, applying the same UK trained engineering expertise [phone repair](#) across different phone brands. Corby customers with a damaged Android device benefit from the same fast turnaround, transparent pricing, and written guarantee applied throughout the shop's broader repair services.

Free Fusion | 62a High Street, Corby, NN17 1UU | 01536 260558

Bringing both Apple and Android devices to a single trusted local repair shop offers genuine convenience for households or workplaces using a mix of different phone brands. For Samsung or Android phone repair in Corby, call Free Fusion at 01536 260558.
